Oceana-19

Coach Kennis Cook and his squad started the season with a very impressive win over Baileysville early in September. The Indians romped to a 19-0 half-time lead but the Roughriders played them even in the third quarter and came back in the last period to score a touchdown. The try for the extra point was as good as the hard charging line of Oceana stopped them behind the line of scrimmage.

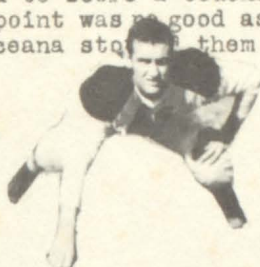

Orvice Lusk

Baileysville-6

Sophia-6

Oceana-0

This was a beautiful night for football, that is until the final whistle blew and Sophia was still leading 6-0. The Indians received the kickoff, but ran one play and lost the ball. The Blue Hawks recovered and marched to a touchdown in four plays. The bright spot for the Oceana fans was a pass from Davis to Branham who went to the 12 yard line before he was brought down. Campbell scored for Sophia, on an off tackle play, after intercepting a Davis to Thomas pass.

Gene Hatfield

Mullens-25

Oceana-6

Again Oceana tasted defeat. Even though Branham scored early in the first quarter, the Rebels rallied and bucked the line four times for 24 points. This time they lost to a larger and more experienced team, but some say the Indians should have won. Wilson was the outstanding player of the night with his wide end sweeps. This was Oceana's second defeat with only one win.

Edsel Workman

Bramwell-6

Seems as though the mud was too much for Oceana's Indians when they visited the Bramwell Millionaires. Although the Indians gained considerable more yardage on the ground, they couldn't overcome the hard charging line of the team from McDowell County. The two teams played on even terms for three periods, but in the last quarter, snappy halfback, Larry Reed, plunged over from the two yard line, after the Indians had been penalized 30 yards.

Coach Kennis Cook made his debut as head man of the Indian gridsters that night, and what a debut it was! His lads pushed the Owls all over the field. It was really a football night. You know one of those nights when you like to take your best girl out. Every player on the bench played. Every boy in the backfield scored with Davis taking the honors by scoring two touchdowns and hitting his ends with some very beautiful passes.

Kingston-7

This was a very sad occasion for the Oceana Band and Majorettes but a glorious victory for the football squad. Mud was everywhere and it was still raining.

The Indians received the kickoff but only to lose the ball on the first play of the game. The Mountaineers took over and pushed their way across the payline for a touchdown and an extra point. In the second heat Parsons recovered a fumble on the 10 yard line to set up a touchdown which Tilley scored just four seconds before the whistle blew.

Oceana received a safety and upped the score to 9-7. Branham pushed his way into pay territory for 6 more points to end the game with a 15-7 victory for Oceana.

It was definitely not football weather when the Indians defeated the Mark Twain Authors. The sun was blazing and the gridiron was dusty. Oceana, having played all night games and not being used to the heat, made a fine showing in a power, drive, and passing attack.

Morgan, Tilley, and Davis scored one touchdown each with Tilley, playing half-back, getting the best run of the day by making a 35 yard dash straight through the line. Thomas made a show in the passing attack.

The two teams were pretty evenly matched. Mark Twain plunged across the line twice for 12 points but no extra points were scored by either team during the entire game.

The score?? 18-12 and another victory for the Indians.

Oceana-13

Man-7

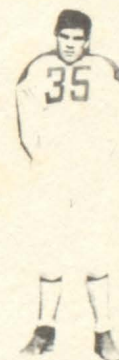

Again the gridiron was muddy, but the spirit of the team was very high. The bleachers were full despite the rain. Early in the first quarter Tilley made an end sweep to cross the goal standing up. Morgan carried the ball off tackle for the extra point.

In the next period Klipa, a flashy half-back from Man, hit pay dirt for a touchdown and an extra point.

This was the end of the scoring until the last heat when Tilley, behind good blocking, went off-guard for another score. The extra point was not completed.

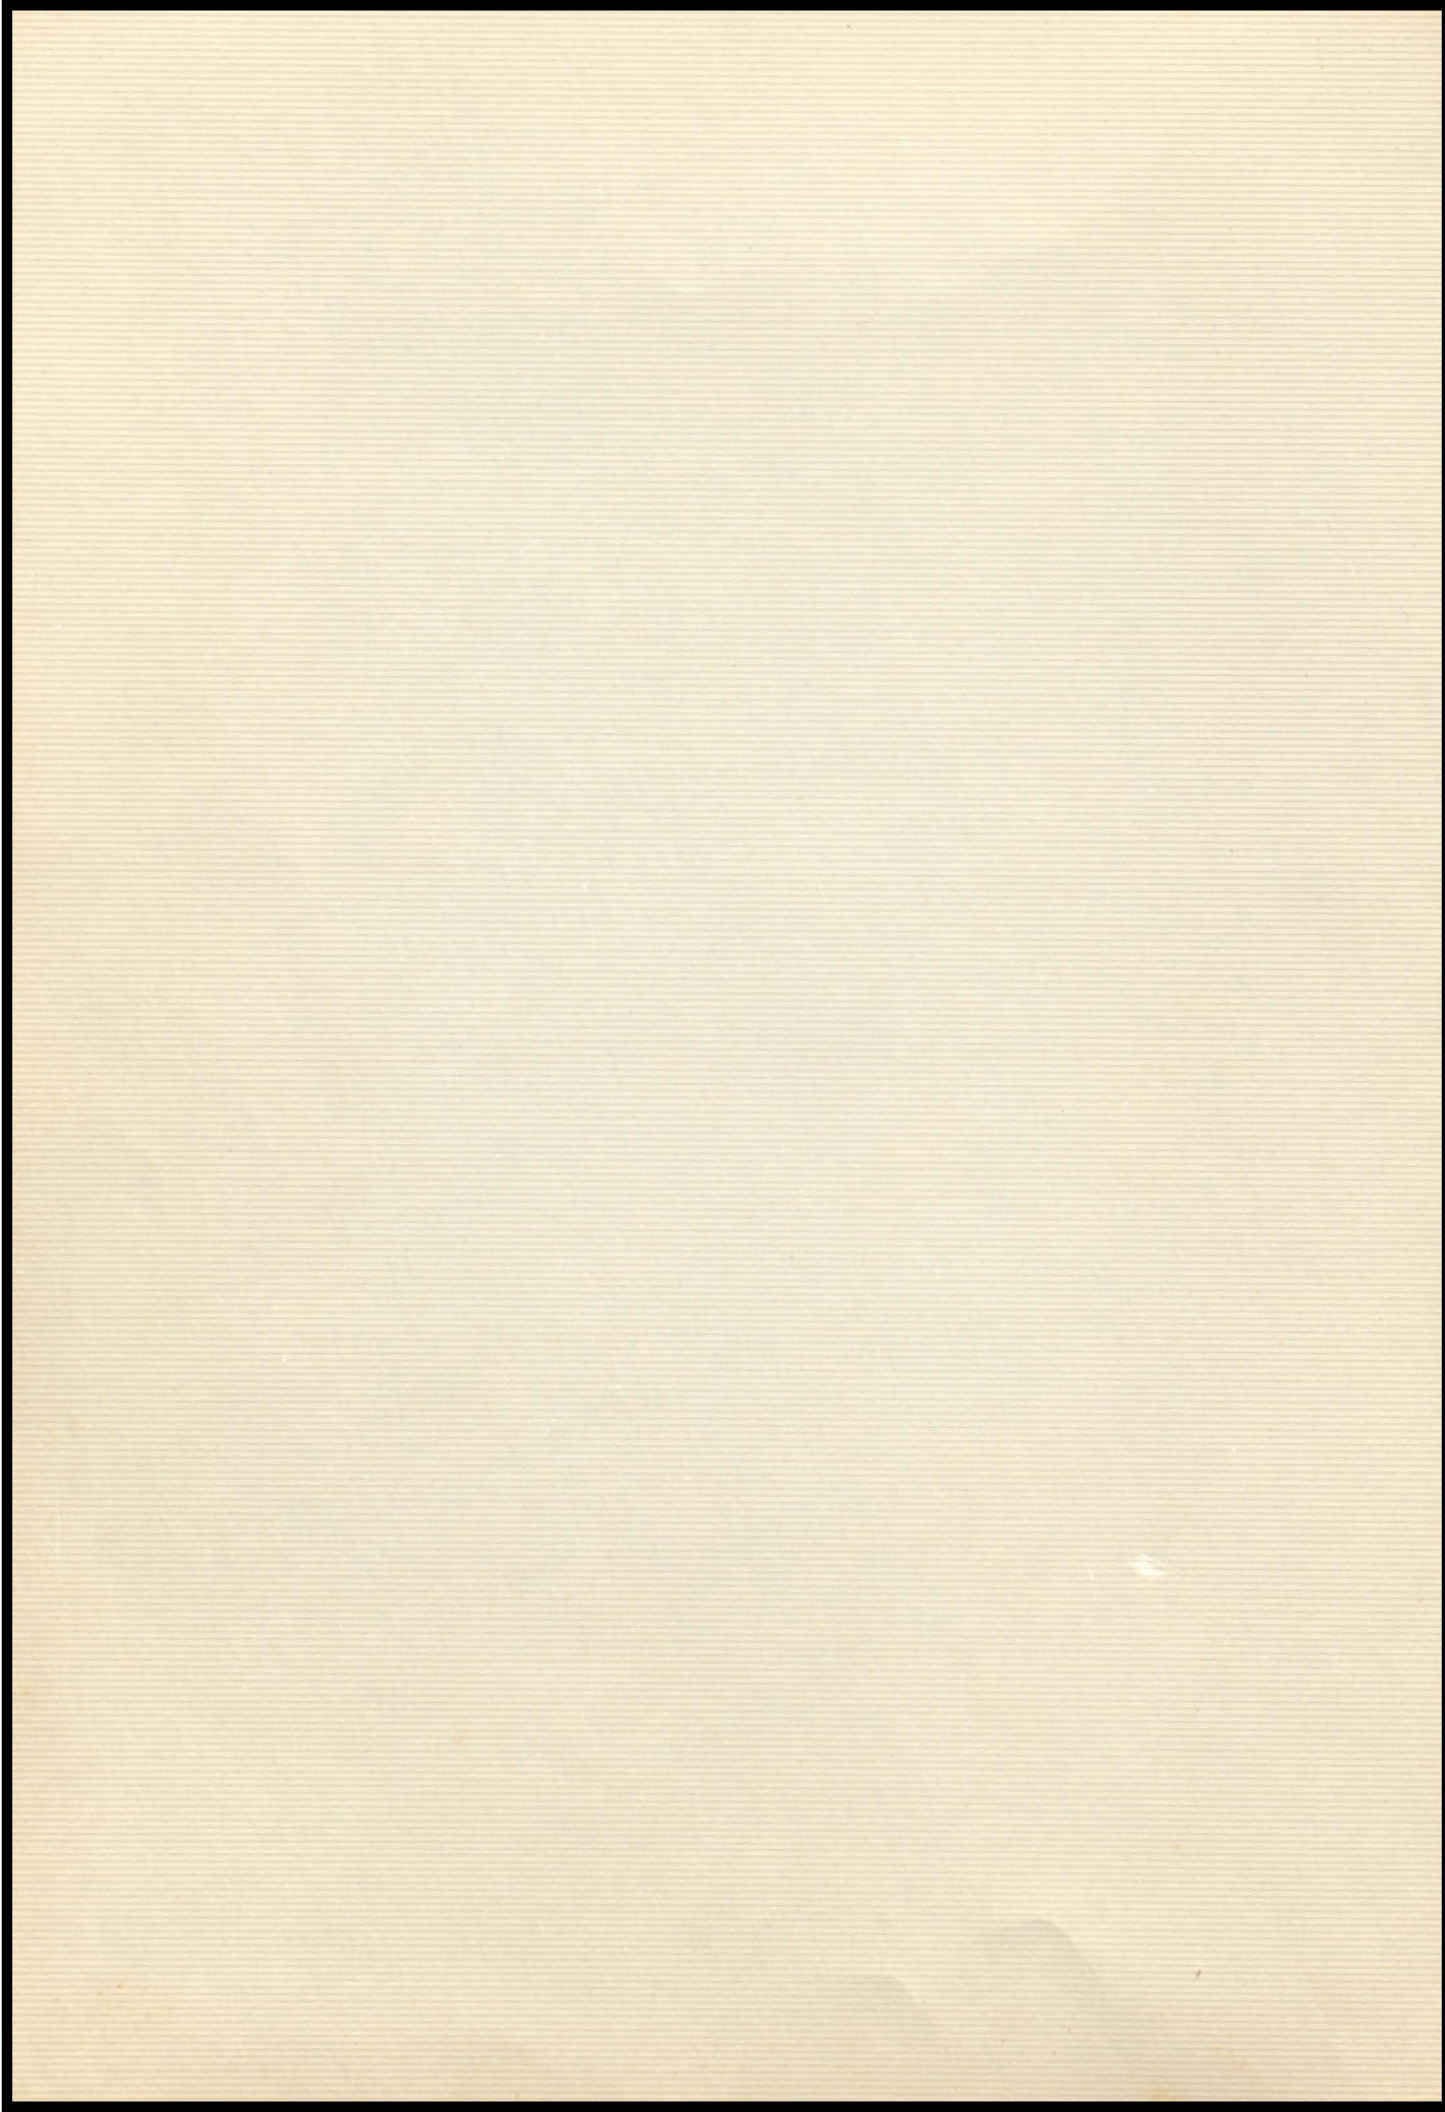

This was the fifth win of the season for the Indians.

A Satisfying Season, and Why

Rudy

Oceana's Indians finished the season with the runners-up trophy of the Region 8, Class B tourney played at Northfork. Oceana dropped Sharples in opening night play by a 52-34 decision. This qualified them to play against Kermit, who had defeated Elkhorn in a 38-41 tilt. Oceana was favored over Kermit for the championship but the Blue Devils outscored the Indians in a 61-36 tussle to become regional champions.

In the sectional tournament Oceana defeated Glen Rogers, 62-44, to qualify for play in the finals against Baileysville, who had dropped Herndon in the playoff game. The Indians became sectional champs and placed two boys on the all-tournament team.

Stewart's Indians also had a very impressive regular season's record, consisting of 19 wins out of 20 starts. This was the first season that Oceana fans had seen the Indians defeat the mighty Mullens Rebels twice. This was considered quite a feat by supporters of the Indians.

Now for a brief rundown of the regular season: The Oceana Indians officially opened the basketball season at Marsh Fork. The Bulldogs were outclassed by the powerful Indians, 55-27. On December 20, Glen Rogers traveled to the Indians' hardwood, only to face defeat. The Indians racked up 50 points in the 32 minutes of play, while the Owls could score only 28. After the Christmas holidays, on January 3, Trap Hill visited the Indians and became their third victim.

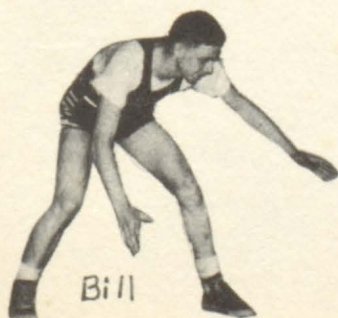

On January 6 the Indians traveled to Iaeger to score another victory. This time the Indians won by unlucky 13, 48-35. Oceana played host to the Mullens Rebels on January 10 and the Rebels received their first defeat by a score of 57-49. Again Oceana fans enjoyed a treat when the Man Hillbillies succumbed to the Indians, 46-33. The Indians were still on the warpath when they again took the Owls for a loss on January 19. Stewart's boys really had a scalping party on January 20 when they kept Baileysville on the short end of a 69-33 score. On January 24 and 27 the Indians chalked up their 9th and 10th victories, defeating Iaeger and Herndon, both by a wide margin.

On Feb. 2 the Indians withstood their real test by outscoring the Matewan Tigers by 5 points in a three minute overtime period. The score was 67-62. The following night Oceana traveled to Trap Hill to add another victory to their already impressive record of 11 wins and no losses. Oceana then traveled to Pineville to take on the Minutemen for the first time this season. Before an overflow crowd, the Minutemen came out on the short end of a 60-45 decision. Feb. 8 put Oceana on the road again. This time the Baileysville Rough Riders were their victims.

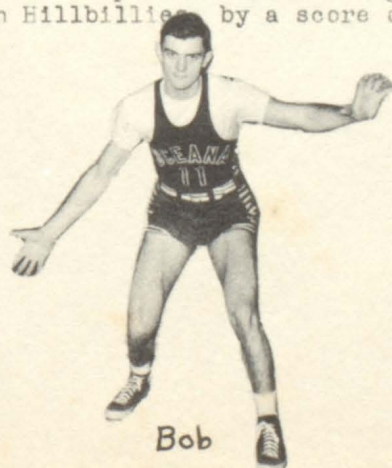

With a record of 14 straight wins, the Indians entertained the Pineville Minutemen and the Marsh Fork Bulldogs on Feb. 10 and 14. The Indians recorded two more victories with 130 points against the opponent's 86. On Feb. 17 Oceana completed their two game contract with the Man Hillbillies by a score of 46-31.

Entertaining their scalping brothers on February 21, Oceana, with the stronger braves, rolled to another victory, outscoring the visitors by a 102-30 decision. Traveling to Matewan on February 23, the Indians suffered their first defeat of the season by a 54-70 score. On the road again for the completion of the regular season, Oceana traveled to Mullens on the 28th. The Oceana fans seemed to forget the defeat at Matewan as the Indians rolled up 73 points while the Rebels forgot to score more points than the Indians. The score???? 73-70 in favor of the Indians.

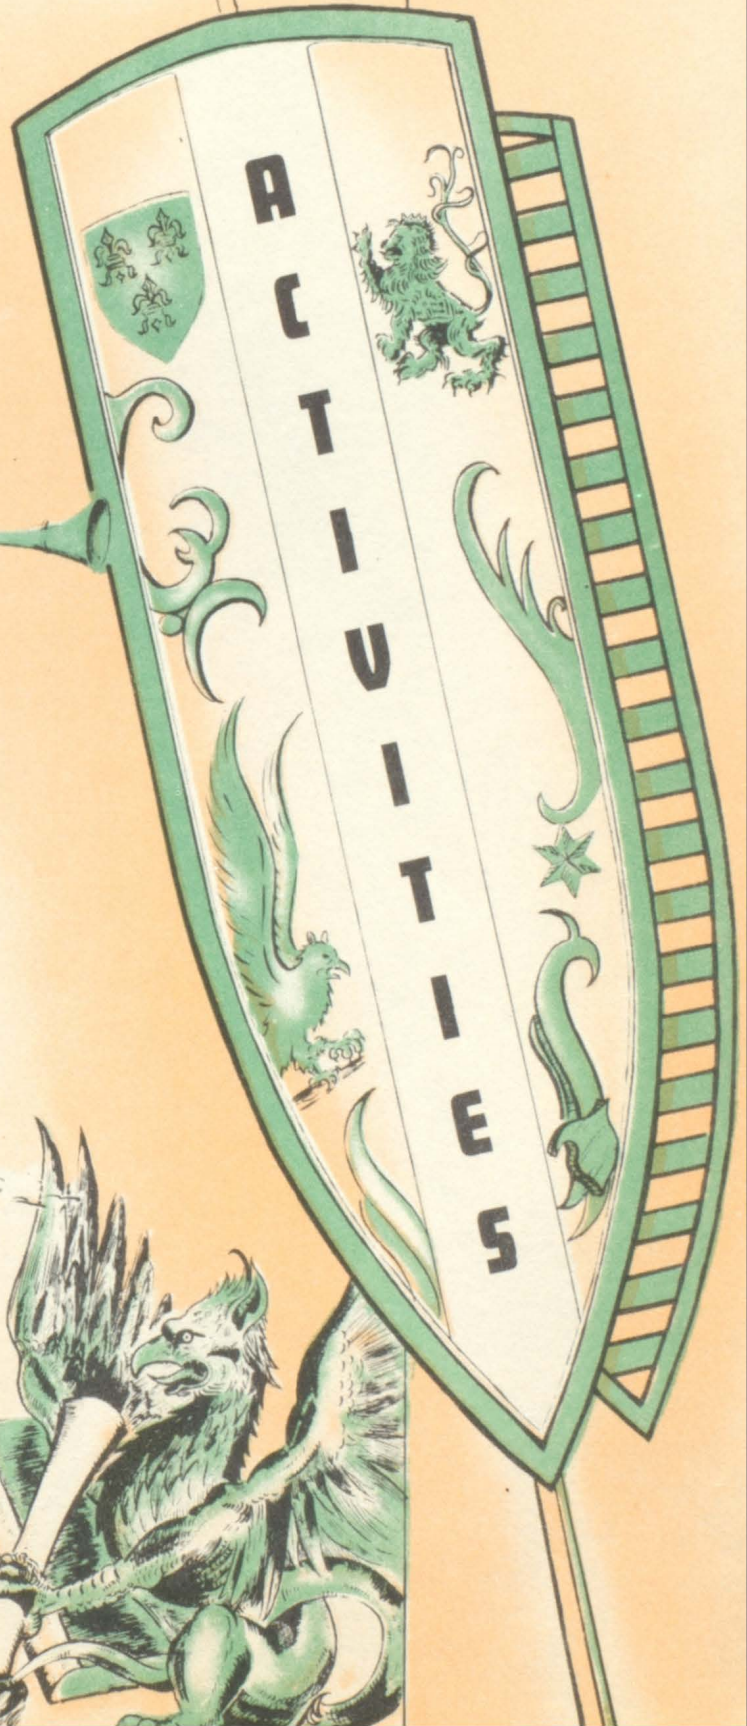

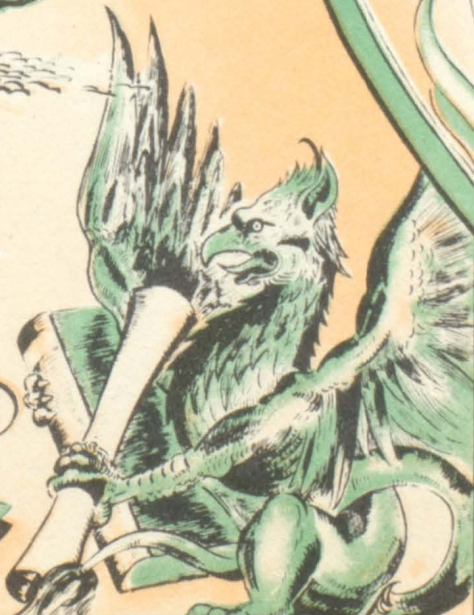

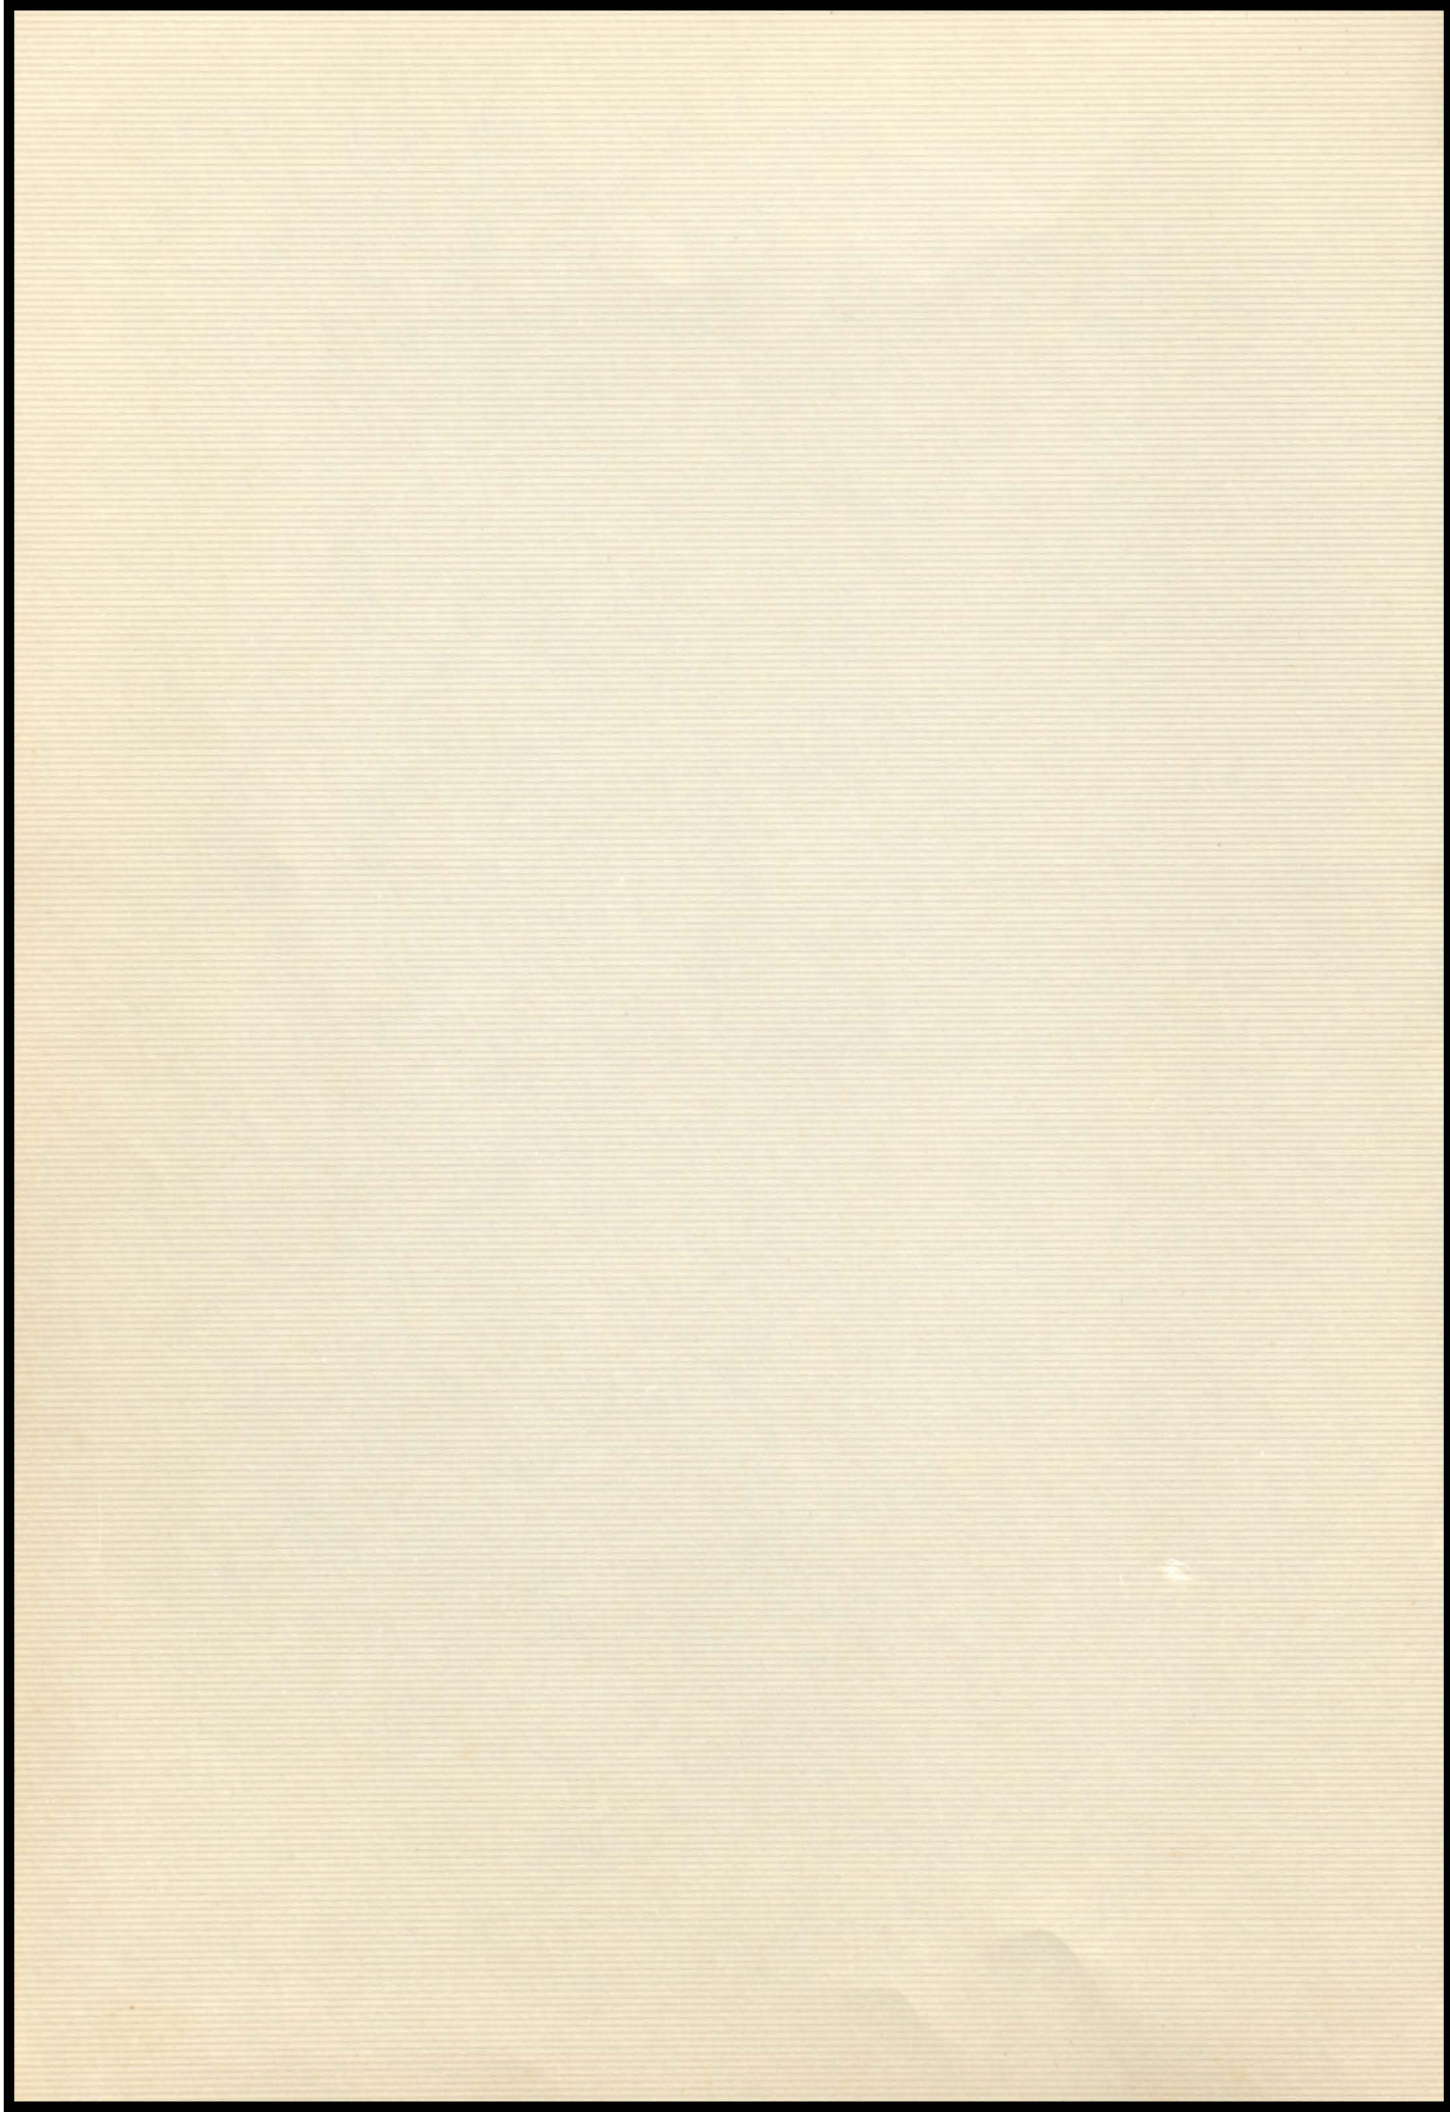

Front Row: Jimmy Branham, U. J. Toler, Gene Edwards, Frank Graham, Jack Cooper, Frankie Daniels, Bill Patrick, manager.
Back Row: David Simmons, Dale Hawley, Jimmy Griffith, Boyd England, Ed Ray Salyer, Shank Thomas, Bill Dove, Norman Brown.

The Junior High Team, another one of Stewart's accomplishments, finished its regular season of play with 14 wins and no losses. Entering the sectional tournament in Pineville, Oceana drew Glen Rogers and eked out a 30-31 victory. A favorite for the sectional crown, the Indians met Pineville in the finals after the latter had nosed out Mullens in another thrilling game. The fans from Oceana were greatly disappointed, however, when the final whistle blew and Pineville was leading 38-42.

Another team of Stewart's, the junior varsity, has gone undefeated for the past two years. Coach Stewart says these teams are the nursery of his varsity. Oceana fans look forward to winning ball clubs in coming years.

CLASS HISTORY

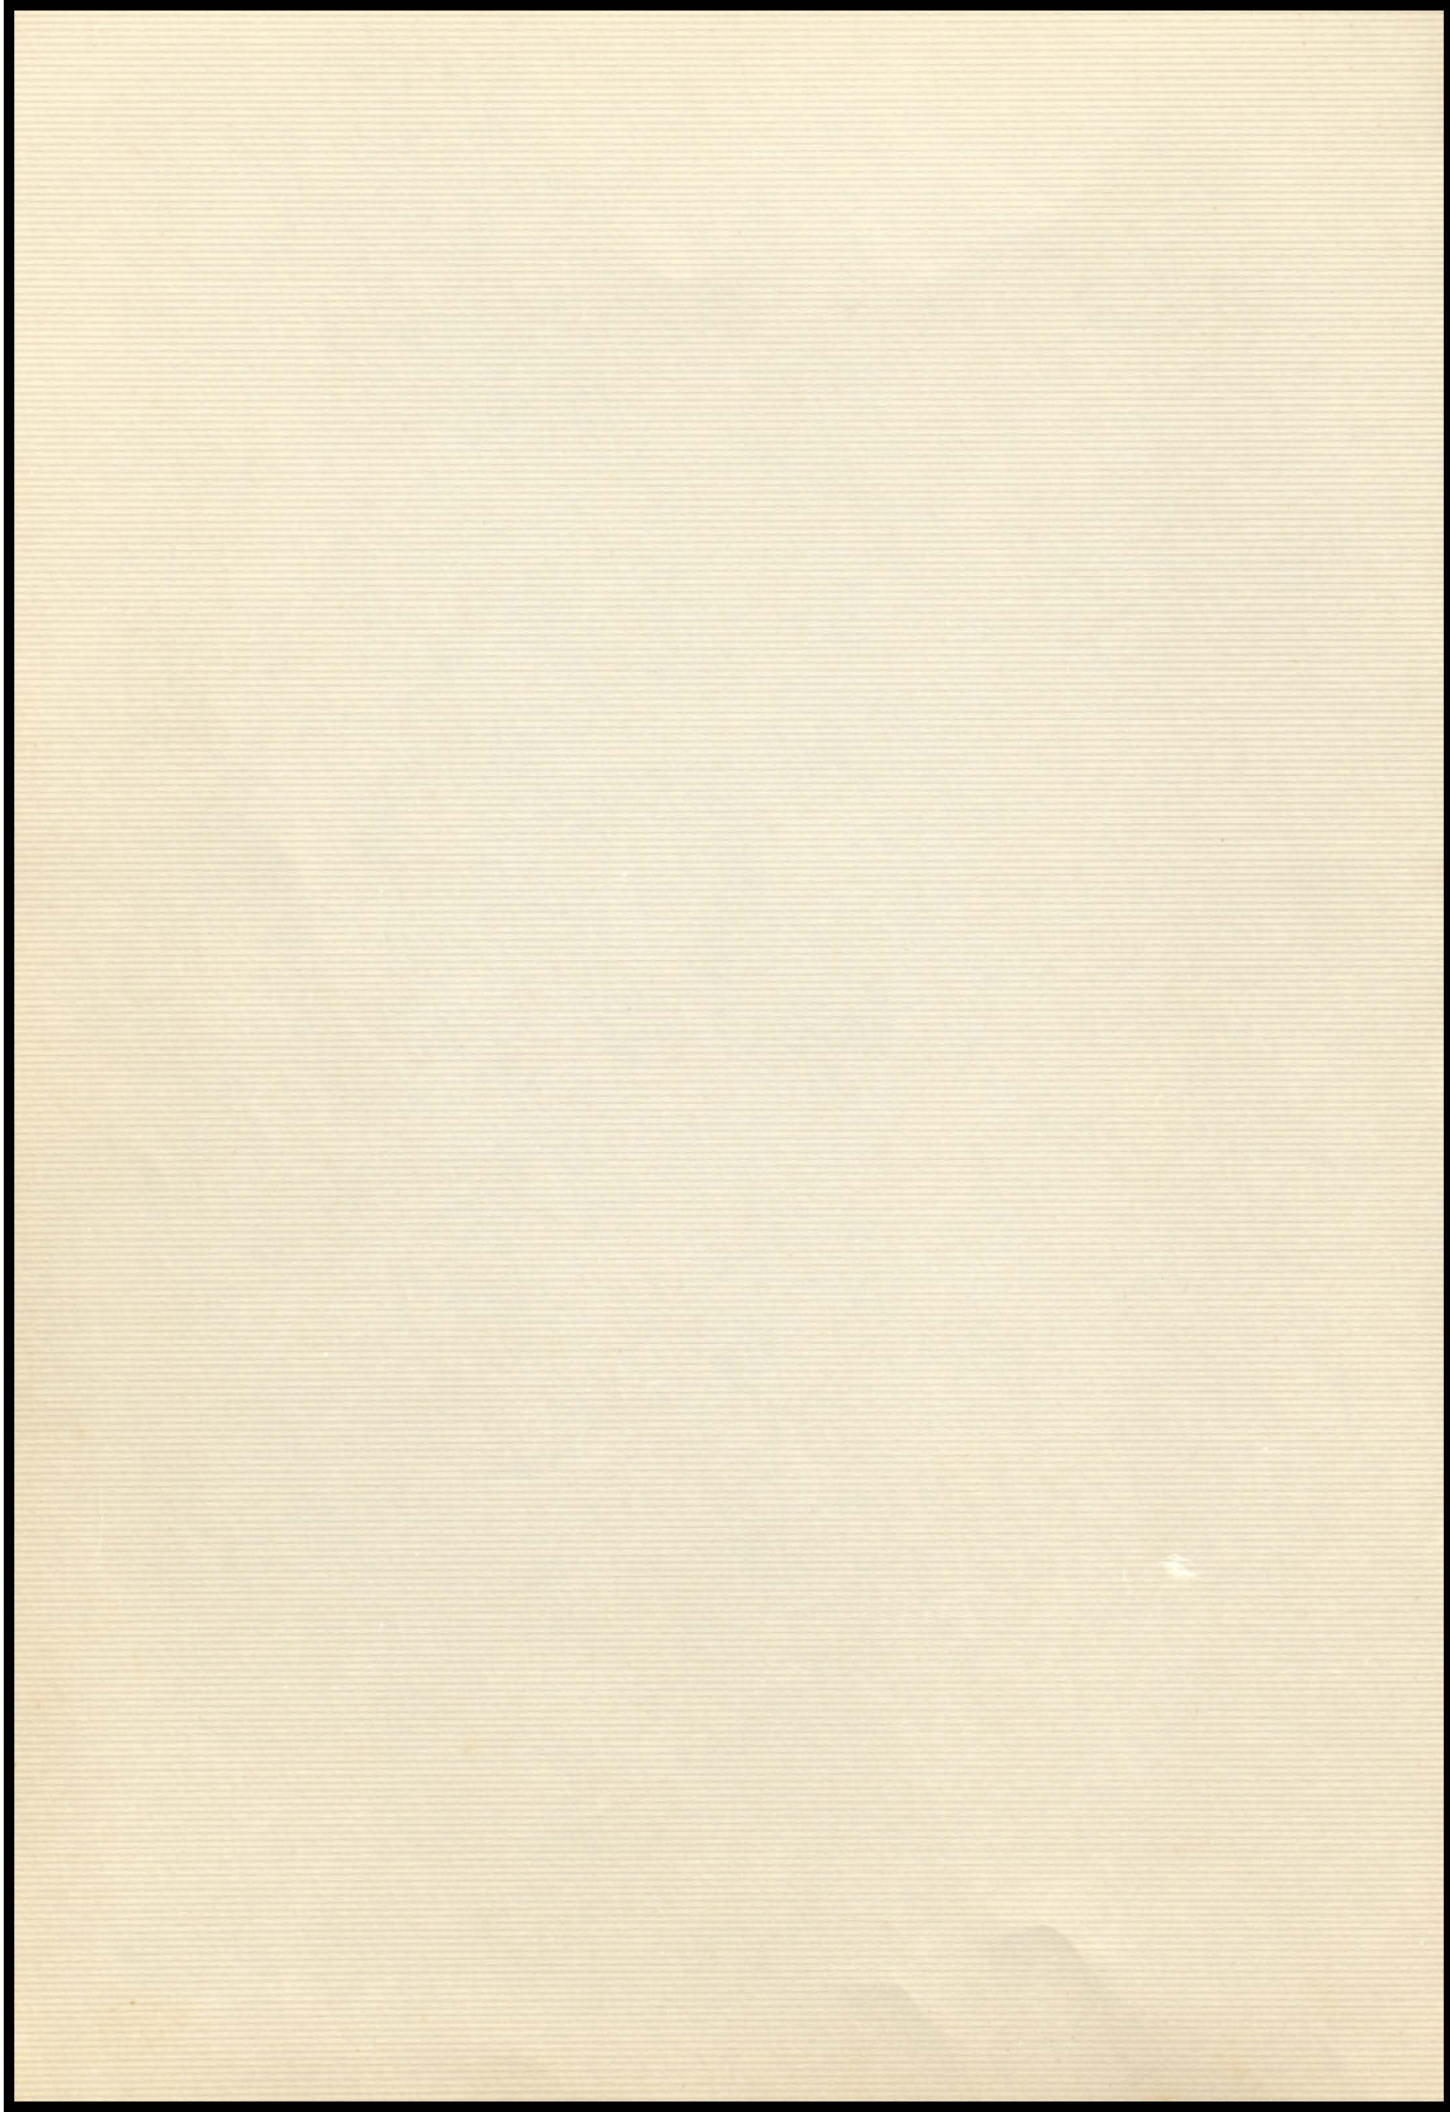

This history of the class of '50 isn't illustrious nor is it any different from any other, but it holds the happy and memorial moments of 33 students for four years.

In the fall of '46, the class was divided into two groups: 9A sponsored by Miss Wanda Grimm and 9B sponsored by Mr. Ralph Stewart. After the students and teachers became well acquainted, class presidents were elected as follows: Orvice Lusk, 9B and Phyllis Francis, 9A. This year Arleene Cook, the present Mrs. Bill Drake, was selected as cheerleader and Bob Branham started his basketball career which covered four years. The class was entertained with one party which was chaperoned by its sponsors. By the end of the term, many lasting friendships had been established and the freshmen were familiar with their school.

Following three months of freedom they reassembled as a Sophomore class and the "Ex-greenhorns" elected Sharon Beane as president of the 10A class and Wanda Nottingham of the 10B section. Wanda was a new student from Shady Springs and Opal Cooper was also a new addition from Pineville. During this term of '48 Sharon Beane and Jean Fleenor were elected cheer-leaders to serve with Arleene Cook and Joan Short. The class sponsors, Mr. J. Lawrence Blankenship and Mildred Shannon, helped celebrate the end of the school term by giving a weiner roast. The 10B class presented a play, "Coming 'Round the Mountain", which was quite a success.

The "Jolly Juniors", numbering 40, greeted Mr. Jennings Barrett as their sponsor and settled down to a full school schedule. President Edsel Workman and Vice-President Carol Bostic did a fine job helping the class make plans for the year. Jack Marks, Helen Hatfield, Bob Chaffin and Jimmy Acord joined the class and became active members. Several skating parties, and the winning of the school basketball tournaments by both the boys and the girls were two exciting features of the year. Will any of us ever forget the Class B State Tournament with Oceana playing as runners-up? Bob Branham and Carl Salyers both played outstanding ball at this tournament. The biggest event of the year was the Junior-Senior Banquet and Prom with the juniors playing host. Everyone had an enjoyable evening, dancing to the music of Earl Smith and his orchestra.

Rings, rings, a whole day was spent discussing the choice of rings, before the order was finally agreed on.

The end of the junior year came with the class celebrating at an all day outdoor picnic. Miss Roles and Miss D'Antoni chaperoned and had as much fun as the class.

Hurrah!!! The great day finally arrived, August 31, 1949. The dignified seniors quickly elected their officers: President, Gene Hatfield; Vice-President, Helen Hatfield; secretary, Orvice Lusk; treasurer, Carol Bostic. Mrs. Barrett, the sponsor, helped draw up the proposed senior privileges, which were approved by Mr. Cox. "Freshie Day" brought many changes in freshmen appearances and manners. When the rings were received, a Christmas party was given to celebrate. All members of the class were present except three and everyone had a very enjoyable time. Many games were played, refreshments were served and the evening ended with the exchange of Christmas gifts.

Work was begun on the "Oceanian" with the selection of the staff. Mrs. Barrett acted as advisor, with Wanda Nottingham as editor-in-chief. Many days were spent gathering advertisements and editing the book. We were all pleased with the results.

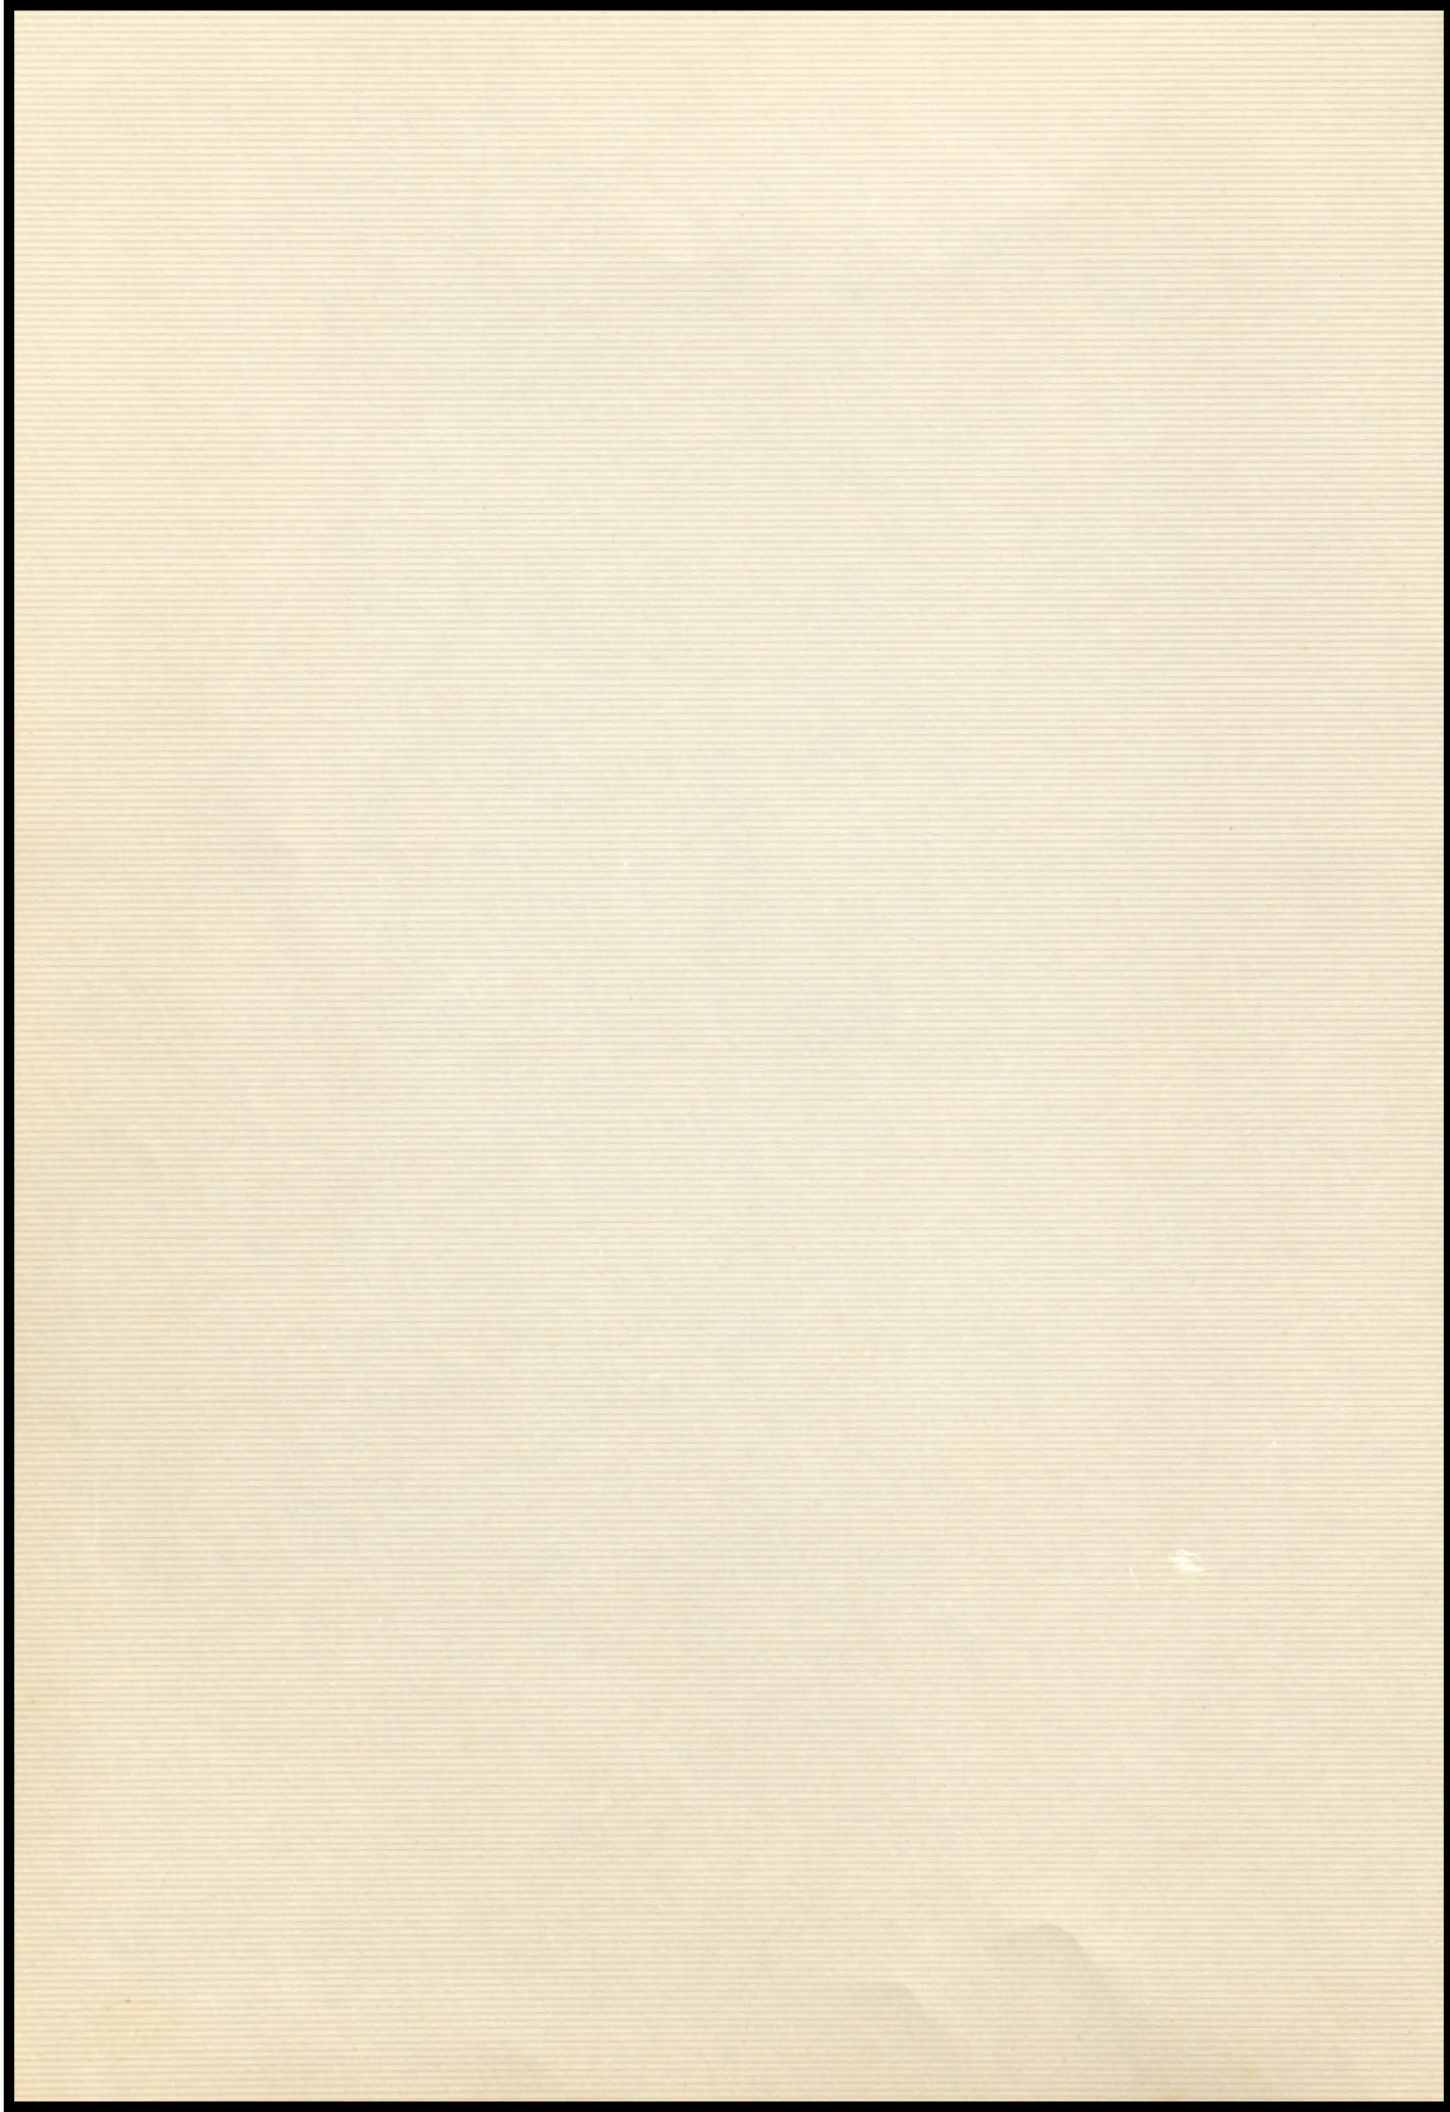

Throughout the year the following students have made the average of a "B" or better: Wanda Nottingham, Gene Hatfield, Sharon Beane, Opal Cooper, Ramona Brown, Jewel Lewis, Phyllis Francis, Stacey Blankenship, Jean Anne Fleenor and Edsel Workman.

April 12th found the seniors in short skirts and knee pants for Kid's Day. It reminded one of the first grade with dolls, teddy bears and suckers.

The Junior-Senior Banquet was a big success and a memorial occasion.

On Teacher's Day, the seniors really proved that they could be dignified and do a good and serious job.

We are still looking forward to Sneak Day, Baccalaureate and Commencement Exercises.

CLASS WILL

Oceana High School Senior Chorus, under the direction of Fred H. Shannon, Jr., has been very active this year. The chorus, composed of 52 members, gave several radio broadcasts via WWYO at Pineville.

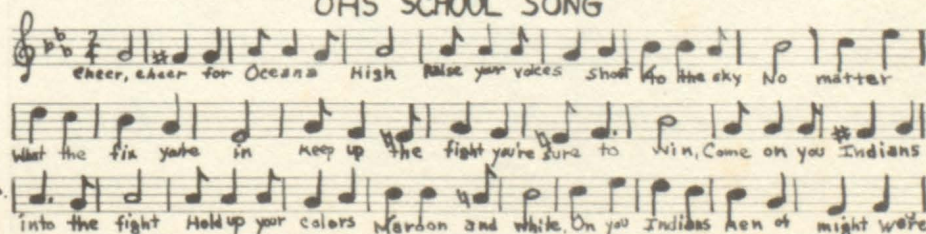

For the Christmas concert, Mr. Shannon combined the band and the chorus to create an interesting program at the regular meeting of the Parents & Teachers Association.

The Spring Concert consisted of different types of music; and was presented with both the Senior and Junior Chorus participating. Selections included two or three numbers from the following musical categories: (1). Folk Tunes; (2). Standard American Songs; (3). American Show Tunes; (4). American Popular Songs.

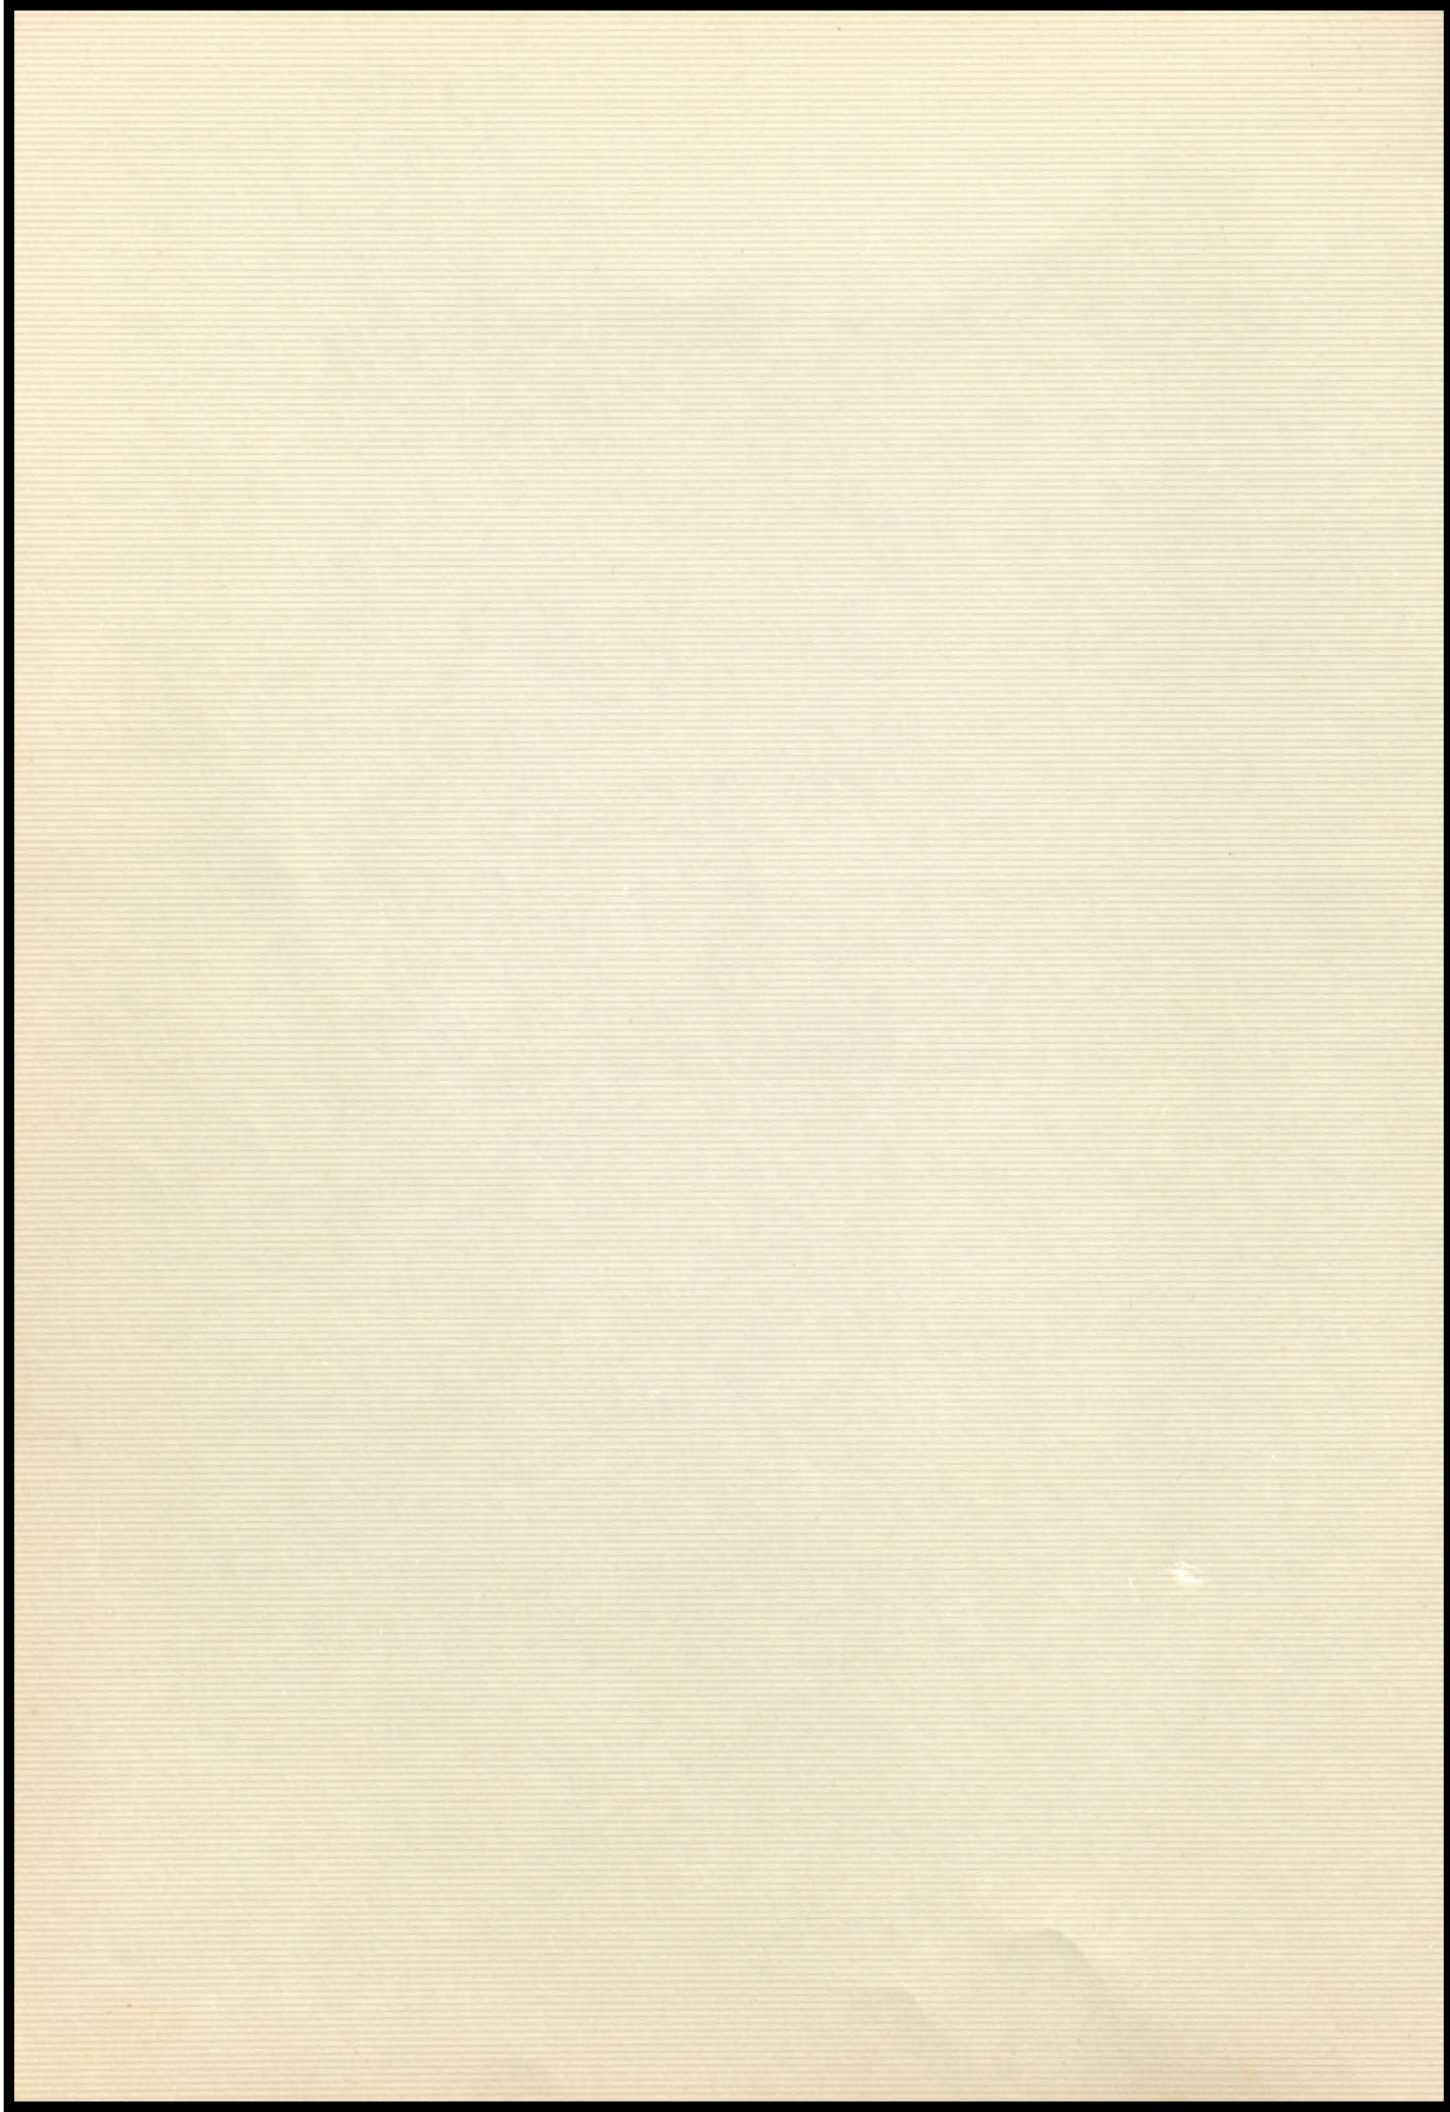

At present, plans are being made for a choral concert to be given during Music Week, which is the first week in May. Both the Junior and Senior Chorus are to assist in the Commencement Exercises.

This year a Student Council was organized for the first time. The Council is composed of the presidents of each class, and elected representatives from each grade to make a total of sixteen members. Mr. Bernie Morgan is the faculty adviser.

The first project for the year was a general clean-up campaign for the school. Other projects include a safety program, spring festival, purchase and presentation of achievement awards, selection of classes for the coming year, and an annual school party.

SENIORS RECEIVE PRIVILEGES

On October 23, the Senior class presented Mr. Cox a list of privileges which they wished to have granted to them. After the approval of the faculty, the following privileges were granted: to use home room before morning and during the day to a place yet to be determined.

RAMONA LEWIS AND GAYLE MARSH CHOSEN CHEER LEADERS

Ramona Lewis and Gayle Marsh were chosen cheer leaders by a vote of the faculty to assist the school for the coming year. The choices came as a result of a try-out held that afternoon. The try-out was open to sophomores and juniors. Prospective leaders were judged on their performance in the try-out.

KOPPERSTON LIONS ENTER FOOTBALL TEAM, CHEERLEADER

Members of the Oceana High School football squad, coaches, and cheerleaders were honored by the Kopperston Lions Band. The band played for the school, and the cheerleaders were also honored.

FOR CHORUS & BAND

The school choir and band performed at the PTA meeting. The choir was directed by Mr. Fred Shannon.

In the early part of the year, the band performed with musical selections: "Spirit of the Sioux", "Echoes".

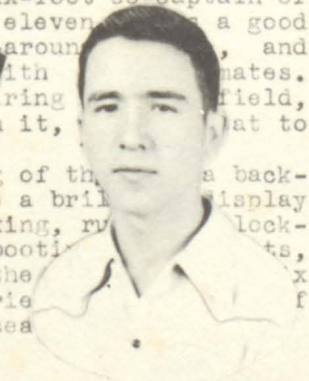

BRANHAM NAMED ON LITTLE ALL-STATE

Bob Branham was selected as one of the Little All-State players, receiving eight of the top spots in the field.

The six-foot co-captain of the football team, Bob Branham, was a good player around the line, and a good blocker. He was also a good punter, and a good kicker.

The sparkplug of the backfield, Bob gave a brilliant display of passing, kicking, running, blocking, tackling, booting, and carrying the ball. He was a straight victor in their football season.

EASTER CROWNED QUEEN IN HOMECOMING GAME

Following the Easter game, the school crowned a queen. The queen was Lois Green, and she was crowned in the homecoming game. She was crowned by the school and the community.

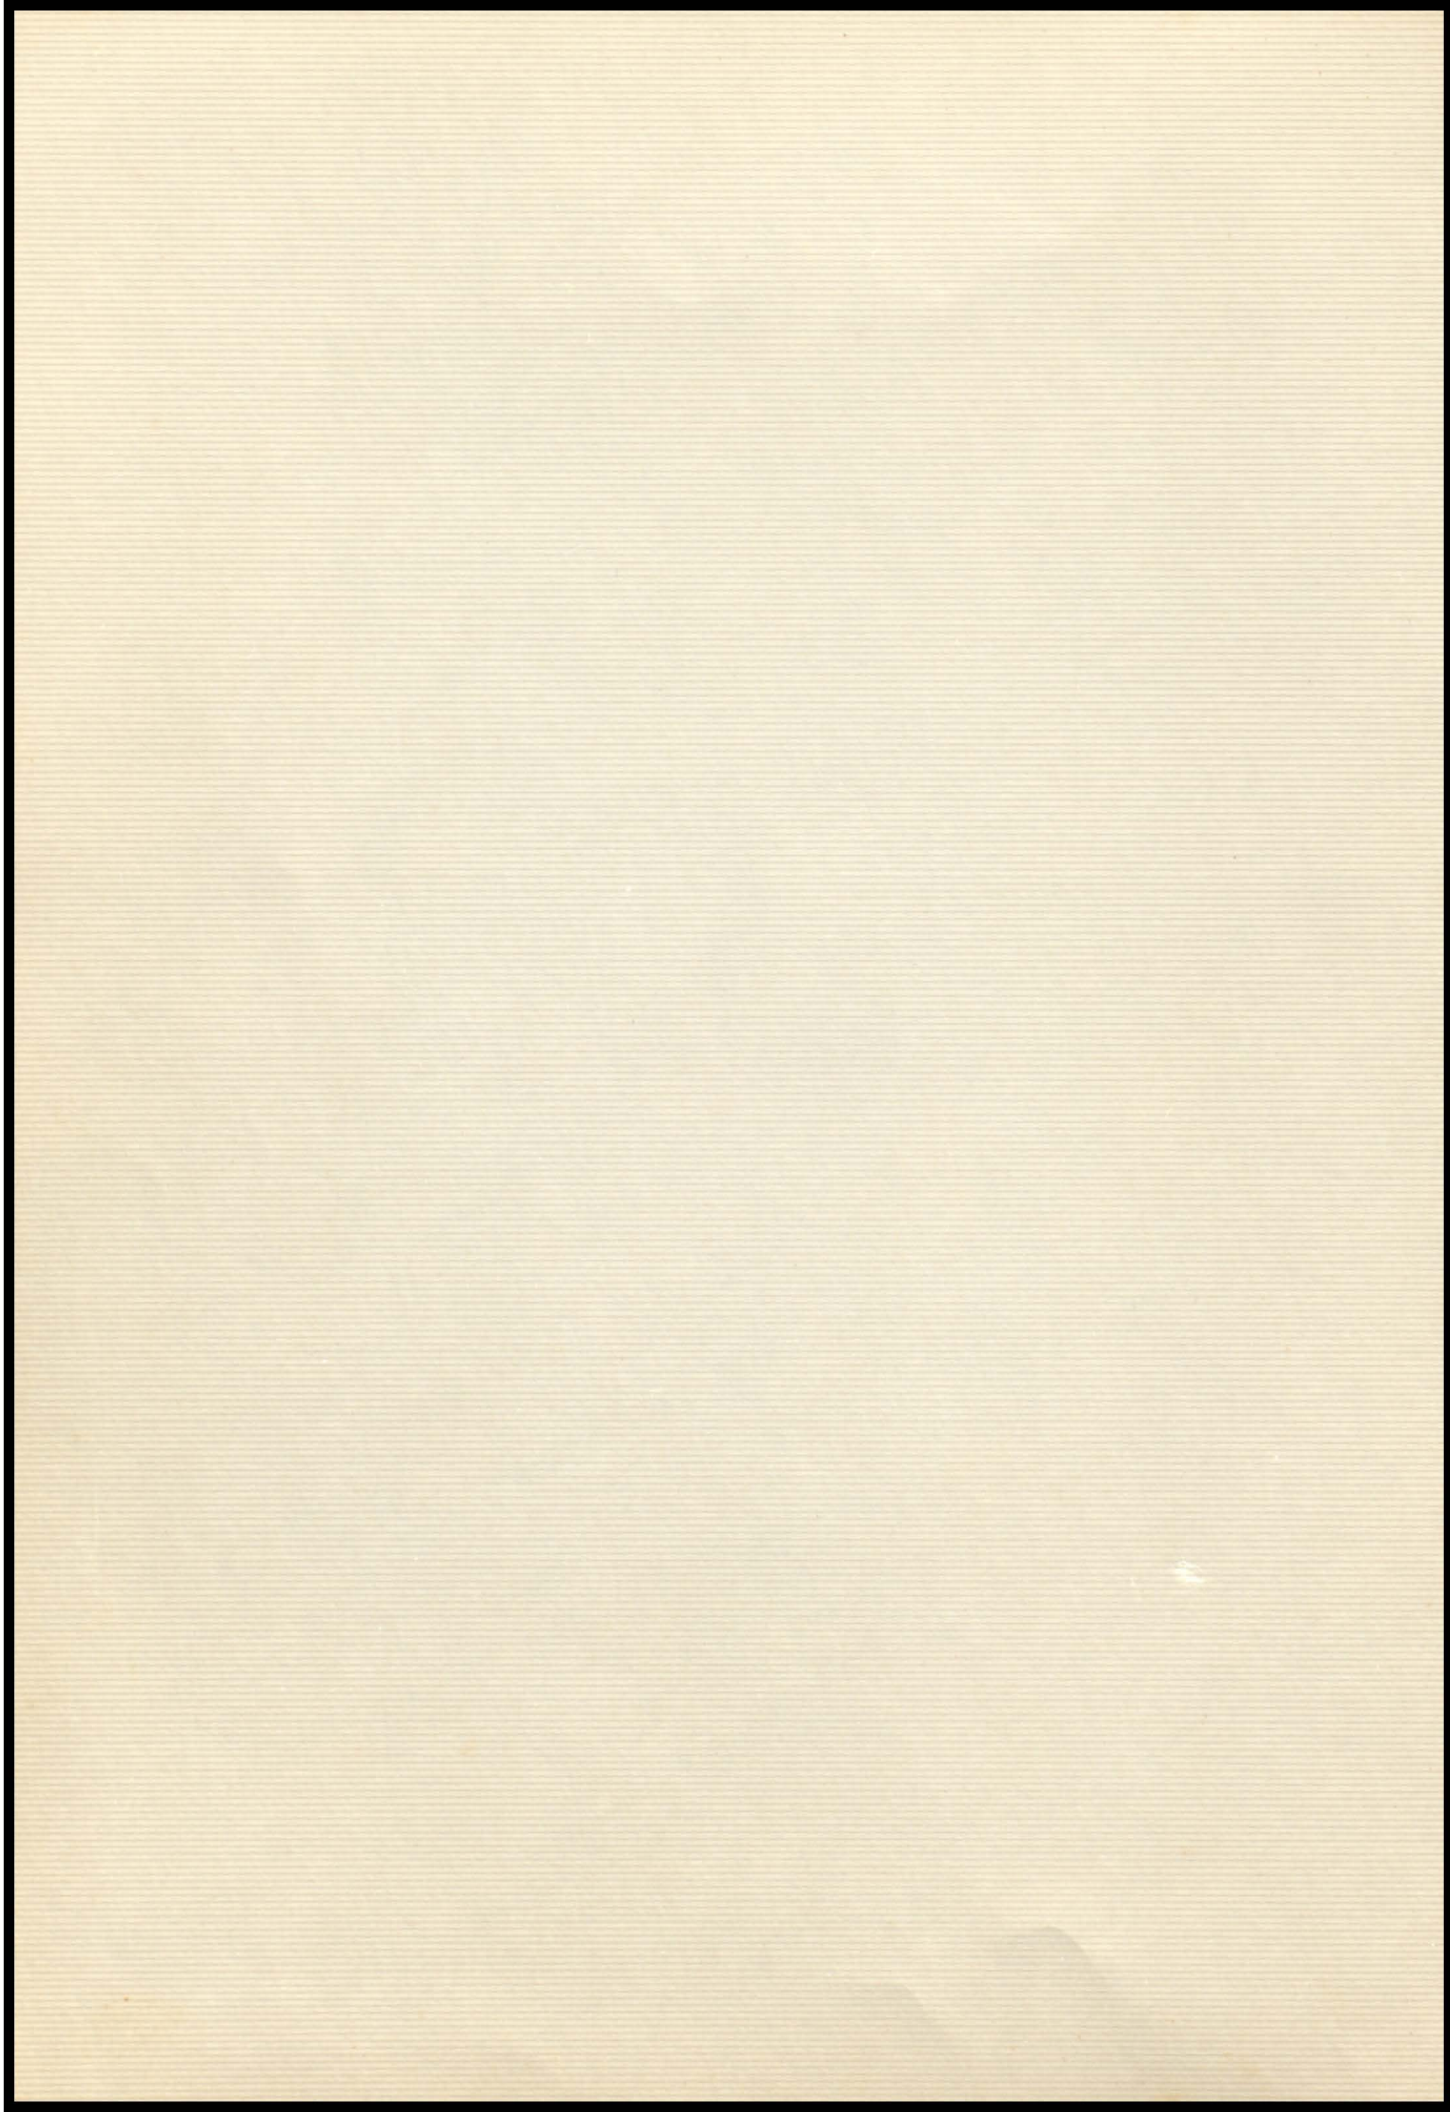

FRESHMEN BOOST ENROLLMENT

An unprecedented number of freshmen presented themselves to the school. The school had 352 students, which is a large enrollment for the school.

The school is proud of the leadership of Mrs. D'Antoni; Mr. Sheppard. The 36 students in the school are all proud of their school.
